The Millstone floor plan is a two story plan with 2650 sq feet of living space featuring four bedrooms, three baths and a spacious loft. You will enter this home off of the inviting front porch with a hanging gas lantern and arched stucco openings into the spacious living room. The living, kitchen and dining are ALL OPEN with views of the front streetscape and large covered front porch and the living and dining are separated by an exposed beam. The kitchen and dining overlook the large covered side patio that brings in a TON OF NATURAL LIGHT. The gourmet kitchen features custom painted cabinets with soft close doors/drawers, 5" hardware pulls and under cabinet lighting, a large center island with stainless farm sink and two overhanging pendants, Carrara Blanco QUARTZ countertops, 3x12" subway tile backsplash, stainless appliance package including a gas cooktop, single wall oven and built in microwave! There is also a HUGE WALK IN PANTRY located off of the back galley of the kitchen. The master bedroom is perfectly located off of the rear of the home with a spa like bathroom with dual vanities, separate tub, custom job built tiled shower and huge walk in closet. An additional bedroom and full bath is located downstairs. Upstairs will feature a very nice sized loft area with two bedrooms, both with walk in closets and a hall bath with dual vanities. Professionally landscaped and fully sodded yard!
