The Cumberland is a two story home with four bedrooms, two and half baths, a loft and just over 2300 square feet of living space! Enter the home from the very inviting covered front porch into the spacious living room which is centered around a vent-less gas fireplace and is open to the kitchen. The gourmet kitchen features custom painted cabinets with extended uppers, large center island with granite composite sink and two over hanging pendant lights, Organic White quartz countertops, white kinetic beveled mosaic tile backsplash, stainless appliance package with gas range and a custom sloped hood and a spacious walk in pantry. The formal dining room is located off of the kitchen and has tons of natural light and views of the front yard and streetscape. The master suite is located downstairs at the rear of the home with complete privacy! The master bath will have dual vanities, separate tub and job built shower with bench and walk in closet. Upstairs will feature three bedrooms with an open loft area and a hall bathroom with dual vanities. Walk in laundry room, powder room and a mudroom with room for an "optional" mud bench are located off of the garage entry. Professionally landscaped and fully sodded yards!
