Located in the highly sought-after Long Farm TND in Baton Rouge, this stunning Bardot plan offers the perfect blend of style and functionality. This one-story home sits on a desirable edge lot, providing a larger backyard and added privacy. Featuring 4 bedrooms, 3 full baths, and 2,627 square feet of living space, this home is thoughtfully designed for modern living. You're welcomed by a true foyer that opens into a spacious, open-concept kitchen, dining, and living area. The gourmet kitchen is a showstopper, complete with custom cabinetry with extended upper cabinets, a large center island with overhanging pendant lights, window over the sink, stainless appliance package, Level 5 Calacatta Safyra quartz countertops, custom tiled backsplash and a walk-in pantry. A beautiful, exposed stained beam subtly defines the kitchen and living spaces, adding warmth and character. The private master suite is located at the rear of the home and features a spa-like bathroom with a large soaking tub, custom-built shower, and satin nickel plumbing fixtures and hardware. The oversized walk-in closet includes two built-in cubbies for added convenience. Additional highlights include a versatile flex space/office and a spacious walk-in laundry room. The yard will be professionally landscaped and fully sodded.
