Introducing the Orleans A plan by Level Homes to Nature Walk! The Orleans is a one-story home featuring 3 bedrooms, 2 full baths and a dedicated office. Enter from the inviting front porch with a hanging gas lantern into the foyer, with the office and French doors on the left, then continue into the spacious open living, kitchen and separate dining room with views of the large, covered patio and backyard. The living room features a vent-less gas fireplace with upgraded Pure White stone surround, milled mantel and exposed Banyan Brown-stained beam detail. The gourmet kitchen features painted beaded Shaker panel style cabinets with matte black hardware, a tapered hood with strapping, large center island with a 30-inch single-basin stainless contemporary sink, matte black faucet and two overhanging pendant lights, upgraded Pure White stone countertops, Passion 3x8 Blanco backsplash in a herringbone pattern, under-cabinet lighting and stainless appliances including a 30-inch cooktop and single wall oven. The large master suite with spa-like bath features dual vanities, framed mirrors, matte black plumbing fixtures and accessories, separate soaking tub with tiled surround and a stand-alone shower with matte black framed glass door, a separate water closet and a HUGE walk-in closet. Khaki LVP flooring extends through the main living areas and master suite. Bedrooms 2 and 3, a full bath, a mudroom and the spacious laundry room are located off the garage entry. The covered patio includes a gas drop for future gas grill and the yard will be professionally landscaped and fully sodded.
