Introducing the Orleans B plan by Level Homes to Nature Walk! The Orleans is a one-story home featuring 3 bedrooms, 2 full baths and an office. You will enter this home from the inviting front porch with a hanging gas lantern into the foyer, which has the office with French doors on the right and then opens to the spacious open living, kitchen and separate dining room with views to the large, covered patio and backyard. The living room features a vent-less gas fireplace with upgraded Mystic White stone surround, milled mantel and exposed stained beam detail. The gourmet kitchen features custom painted raised panel cabinets, satin nickel hardware, a large center island with a granite composite sink and two overhanging pendant lights, upgraded Mystic White stone countertops, Ice White beveled subway tile backsplash, stainless appliances including a gas cooktop, built-in microwave, single wall oven and a walk-in corner pantry. Large master suite with spa-like bath features dual vanities, upgraded framed mirrors, separate soaking tub with Carrara Luxe stone surround and a stand-alone shower with seamless glass door, water closet and a HUGE walk-in closet. The spacious laundry room with added wall cabinet and a mudroom with space for an optional mud bench are located off the garage entry. The yard will be professionally landscaped and fully sodded.
