The “Huron” is a spacious one-story, open-concept plan offering just over 2,400 square feet. A wrapped L-shaped porch opens to a large foyer and flows into the living, kitchen and dining areas all which overlook the covered rear porch and backyard. The gourmet kitchen features painted cabinetry with extended upper cabinets and under-cabinet lighting, a large center island with a concrete-colored single-basin granite composite sink, Carrara Luxe quartz countertops, a Level 4 white artisan backsplash, 36-inch cooktop, single wall oven and walk-in corner pantry. A stained Banyan Brown exposed beam separates the kitchen and dining/living areas. The private primary suite is tucked at the rear of the home with a generous closet and premium bath featuring dual vanities, a larger rectangular soaking tub, expanded tiled shower with bench and seamless satin-nickel enclosure. Bedrooms three and four share a hall bath, while bedroom two is near a separate full bath. Additional highlights include LVP flooring throughout all bedrooms and main living areas, Carrara Luxe stone fireplace surround with milled mantel, satin-nickel fixtures and hardware, Rockport interior doors, double laundry wall cabinet and a patio gas drop. The exterior pairs Silver Strand siding, Alabaster trim, Dutch Tile Blue shutters, an Early American-stained front door and Hearthstone shingles. The yard will be professionally landscaped and fully sodded.
